

E3S – European Sensory Science Society

21st April, 2015

**E3S PDO PRODUCT WORKING GROUP INTERNAL WORKSHOP
Rome, November 17th, 2015**

First results survey methods and accreditation – preliminary results consumer survey

The WG PDO is now collecting data about employ of sensory analysis for the official control of PDO/PGI and is organizing an Internet survey about consumers' knowledge, insights and expectations towards PDO products.

On November 17th in Rome, kindly hosted by the Italian Council for Agricultural Research and Economics. Research Center on Food and Nutrition (CRA-NUT), the members of the WG PDO are invited to the internal workshop:

“First results survey methods and accreditation – preliminary results consumer survey”

November 17th, from 2.30 pm to 6.30 pm.

Location: Centro di Ricerca per gli Alimenti e la Nutrizione (CRA-NUT) , via Ardeatina 546, Roma.

Provisional program:

- F.J. Pérez-Elortondo – Mario Zannoni – Isabelle Maitre – Patrizia Piccinalli
