

## Sensory Team Lead

**"I want to develop products that delight consumers"**

**Sensory and Shelf-Life group  
(CPW Orbe, Switzerland)**

**Undefined period of time, act rate 100%**

Are you ready to join a multinational team in a challenging role? As Sensory Team Lead, you will foster a climate of innovation, lead, coach and develop people and create a high performing team. You will provide appropriate sensory expertise and knowledge to support product and technology development projects and drive the research in sensory activities.

CPW S.A is a highly successful dynamic joint venture between Nestlé & General Mills, producing & distributing Nestlé breakfast cereals and cereal bars worldwide since 1990. CPW's main Innovation Centre is located in Orbe, Switzerland with around 100 people of various nationalities. Across the world CPW directly employs 4500 staff. "The Power of the Big and Spirit of the Small" is the operating principle of Cereal Partners Worldwide

### Key responsibilities

- **Senior Sensory scientist:**
  - Lead sensory activities: provide sensory support and expertise to innovation/renovation and shelf life projects
  - Set up sensory studies, analyze and interpret data, and report results orally or in written form
  - Interact closely with the Product Developers and Product Guidance Specialists for deeper understanding of liking drivers and ensure product superiority
  - Continuously improve sensory methods in order to make the Innovation Centre recognized as center of excellence for sensory within CPW
- **Team Lead:**
  - Lead and develop a team of panel leaders and technicians
  - Supervise the daily activities of panel leaders and technicians

### Education and experience

- Master degree in food science or equivalent
- Minimum of 5 years of confirmed experience in sensory research
- Proficient in statistical analysis and interpretation of sensory data (discrimination and descriptive tests) using FIZZ and analysis software programs (XLSTATS, SPSS, others...)
- Experienced in coaching people
- Fluent in English and French

Show us that you are able to lead people, drive projects and that you have a strong ability to do problem solving and multitasking. Your communication skills with various stakeholders from various backgrounds will allow you to be successful in this role. Your courage to influence and challenge with integrity will set you apart from other candidates. If you want to make a difference to our performance, apply directly in English at [www.nestle.com/jobs](http://www.nestle.com/jobs)

The Nestlé Group is the World's leading Nutrition, Health and Wellness Company with 91,6 billion Swiss Francs in sales in 2014, more than 339,000 employees worldwide and 442 factories in more than 86 countries. We offer an attractive and dynamic international working environment with constant opportunities for development, reflecting our conviction that people are our most important asset.
