Lab Manager

Growing together means pulling in the same direction

JTI is a member of the Japan Tobacco Group of Companies (JT), a leading international tobacco manufacturer. It markets world-renowned brands such as Winston, Camel and Mevius. Other international brands include Benson & Hedges, Silk Cut, Sobranie, Glamour and LD. With headquarters in Geneva, Switzerland, and net sales of USD 11.8 Billion in the fiscal year ended December 31, 2012, JTI has operations in 120 countries and about 27,000 employees.

Internship (m/f) in the R&D Sensory Lab

Position: DE000455 / Location: Trier, Germany / Period: 2 - 6 months / Start: as soon as possible

The Research & Development Center is offering an internship in the Sensory team of the Product Development department in Trier. The primary role of the Sensory team is to evaluate JTI and competitor products according to scientific sensory methods. Those products are tested in experimental settings applying state of the art panel assessments. The Research & Development department is the most international division of JTI Germany with a workforce composed of over 35 different nationalities from a wide range of cultures.

Your responsibilities:

- Processing sensory test data with FIZZ (Sensory Analysis and Consumer Tests Software)
- Setting up sensory tests according to scientific sensory methods and supporting best practice approaches in cooperation with the Sensory team
- Preparation of cigarette samples and delivery to the panel members
- Screening and training of panel members
- Organization of Sensory meetings

Your profile:

- Enrolled student within Sensory, Life Science, Food Technology or a similar field of study
- First work experience in a Laboratory is desirable
- Good knowledge of statistical methods and MS Office (Excel, Word, PowerPoint)
- Outstanding analytical and English skills, German is a plus
- Very good communication skills
- Ability to work independently and in a structured manner
- Spirit of teamwork and cooperation

Your chance:

You would like to work for a “Top Employer 2014”, take advantage of this unique opportunity and join us. JTI recently has been awarded for excellent working conditions by the Top Employers Institute and reached the 3rd place in an overall ranking across Europe.

As an intern at JTI you will have the chance to work on an international team and within a diverse and dynamic company. We are offering you development opportunities, such as comprehensive training, to enhance your skills and knowledge. Thus, the internship may be the start of your international career at JTI.

If you are one of the best in your field, we would appreciate receiving your application documents with your earliest possible starting date via our online application tool at www.jti.com/careers (Position: DE000455).
